

UEEOS Master Specification v13.0 - Unified Adaptive Reality Theory (UART)

UEEOS MASTER SPECIFICATION v13.0

VISION

A unified theory and operating framework explaining how evolution, emergence, intelligence, meaning, purpose, flourishing, continuity, and reality formation interact across all scales of existence.

1. UNIFIED ADAPTIVE REALITY ENGINE

Integrates:

- Evolution
- Emergence
- Intelligence
- Meaning
- Purpose
- Flourishing
- Continuity

2. UNIVERSAL CAUSALITY ENGINE

Model:

- Root Causes
- Multi-Scale Causes
- Feedback Dynamics
- Emergent Causation
- Adaptive Causation

3. POSSIBILITY PHYSICS ENGINE

Explain:

- Why possibilities emerge
- Why constraints exist
- Why some futures become reality

4. GRAND UNIFIED ADAPTIVE SYSTEMS THEORY

Identify:

- Universal Adaptive Principles
- Universal Resilience Principles
- Universal Flourishing Principles

5. REALITY GENESIS ENGINE

Model:

Possibility → Emergence → Structure → System → Reality

6. UNIVERSAL FLOURISHING MATHEMATICS

Quantify:

- Resilience
- Adaptability
- Sustainability
- Meaning
- Prosperity

7. META-PATTERN GENOME

Catalog:

- Evolutionary Patterns
- Organizational Patterns
- Ecological Patterns
- Civilizational Patterns

8. CIVILIZATION DESIGN LABORATORY

Design:

- Enterprises
- Economies
- Societies
- Civilizations
- Future Realities

9. THEORY INTEGRATION FABRIC

Unify:

- Scientific Theories
- Social Theories
- Economic Theories
- Evolutionary Theories

10. AGENT SOCIETY 11.0

Causality Agents

Emergence Agents

Flourishing Agents

Reality Agents

12. UNIVERSAL ADAPTATION & CONTINUITY ENGINE

Preserve:

Knowledge

Capability

Identity

Meaning

Future Potential

13. UNIFIED REALITY INDEX

Measure:

Adaptability

Emergence Capacity

Intelligence

Flourishing

Continuity

Reality Creation Capacity

14. MATURITY MODEL

L1 Reactive

L10 Intelligent

L20 Meta-Evolutionary

L30 Emergence-Driven

L40 Unified-Reality-Driven

15. NORTH STAR

Understand and guide the universal principles that govern the emergence, adaptation, flourishing, and continuity of all complex realities.
