

UEEOS Master Specification v15.0 - Unified Existence, Value & Possibility Theory (UEVPT)

UEEOS MASTER SPECIFICATION v15.0

VISION

A unified framework explaining how existence, possibility, value, intelligence, flourishing, continuity, and adaptive reality arise from common underlying principles.

1. UNIVERSAL EXISTENCE LAWS ENGINE

Discover:

- Laws of Existence
- Laws of Persistence
- Laws of Transformation
- Laws of Continuity
- Laws of Becoming

2. POSSIBILITY FIELD THEORY ENGINE

Model:

- Possibility Fields
- Constraint Fields
- Opportunity Fields
- Emergence Fields
- Reality Fields

3. VALUE PHYSICS ENGINE

Explain:

- Value Creation
- Value Flow
- Value Accumulation
- Value Regeneration
- Value Compounding

4. INTELLIGENCE EMERGENCE THEORY ENGINE

Understand:

- Biological Intelligence
- Collective Intelligence
- Artificial Intelligence
- Civilizational Intelligence
- Meta-Intelligence

5. UNIFIED EXISTENCE FRAMEWORK

Integrate:

Existence
Possibility
Value
Intelligence
Meaning
Purpose
Flourishing
Continuity

6. UNIVERSAL PURPOSE ARCHITECTURE

Align:

Individual
Community
Organization
Civilization
Species

7. POSSIBILITY-TO-FLOURISHING DYNAMICS ENGINE

Model:

Possibility → Value → Intelligence → Flourishing

8. META-CIVILIZATION EVOLUTION THEORY

Explain:

- Civilizational Growth
- Civilizational Adaptation
- Civilizational Flourishing
- Civilizational Continuity

9. EXISTENCE KNOWLEDGE FABRIC

Connect:

Scientific
Philosophical
Ecological
Economic
Civilizational Knowledge

10. AGENT SOCIETY 13.0

Existence Agents
Possibility Agents
Value Agents
Intelligence Agents
Flourishing Agents
Meta Agents

11. EXISTENCE → POSSIBILITY → VALUE LOOP

Existence

→ Possibility

→ Value

→ Intelligence

→ Flourishing

→ Continuity

12. UNIVERSAL FLOURISHING & CONTINUITY ENGINE

Preserve:

Life

Knowledge

Meaning

Capability

Future Potential

13. EXISTENCE INDEX

Measure:

Possibility Expansion

Value Creation

Intelligence Growth

Flourishing Capacity

Continuity Potential

14. MATURITY MODEL

L1 Reactive

L10 Intelligent

L20 Meta-Evolutionary

L30 Emergence-Driven

L40 Unified-Reality-Driven

L50 Existence-Aware

L60 Possibility-Driven

15. NORTH STAR

Understand and guide the universal principles through which existence generates possibility, possibility generates value, value generates intelligence, and intelligence enables flourishing and continuity.
